EZ Products Machines - Manual, Semi-Manual or Air Machines:

- **EzPress Basic & PopUpPress Basic** - Manual or Pop Up models. Top Heat Only. (Does not include EzWizard Software).
- **EzPress EzWizard & PopUpPress EzWizard** - Manual or Pop Up Model. Top Heat with Bottom Heat Optional.
- **Pneumatic Press EzWizard** - Air Compressor Required - Top Heat with Bottom Heat Optional.
- **Optional Accessories:** Additional QuickChange Lower Platens, Heated Bottom Platens and 230 - 240 volt.
- **EzWizard Software:** Monitors the operation of the press and alerts the operator of a pending problem such as platen temperature too hot or cold.
- **Automatic Time & Temperature Control:** The lower platen will automatically adjust for thick or thin garments without manual platen adjustments.
- **EzCycle Extension:** Automatically occurs when labeling cold or damp fabric and adds power to the heater and adds the proper additional seconds of dwell time to insure the label is always applied properly.
- Machine Dimensions: 8.5" H x 6" W x 11" D (closed).
- Machine Weight: EzPress 14 pounds. PopUpPress 15 pounds.
- Platen Sizes Recommended: Mini 5: 1.5" x 3.75" for 99 up or Mini 7 2" x 3.75" for 72 up size barcodes. Other size available upon request.
- One Year Warranty on all parts and labor. 30-day money back guarantee.
